Dear Mr. Davidson:

How Haven 7, Commentiout

Many thanks for sonding no the page proofs of Graf Von Rinsiedel's The Shadow of Stallanged.

The book is a wall-written and thoughtful account of a dramatic and important episods in the war for control of name minds. We can all learn such from it, and I feel sure that your Press is rendering a service to the country in makin; this generally available to the public.

For reasons you will combiless appreciate, I have to achieve to a policy of not suicing comment for publication on books such as You Rinaidel's. I would, however, be happy to have you pass on to him my compliments for having written a stirring and on-lightening book.

Sincerely yours,

WALTER B. SMITH Director
